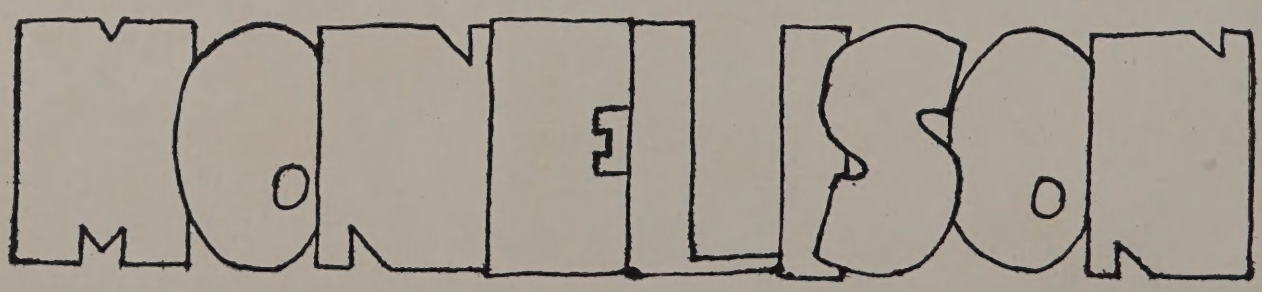
MADISON HEIGHTS HIGH SCHOOL

PRESENTS ITS

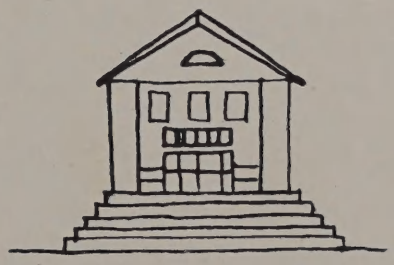
Annual Publication

The 1954

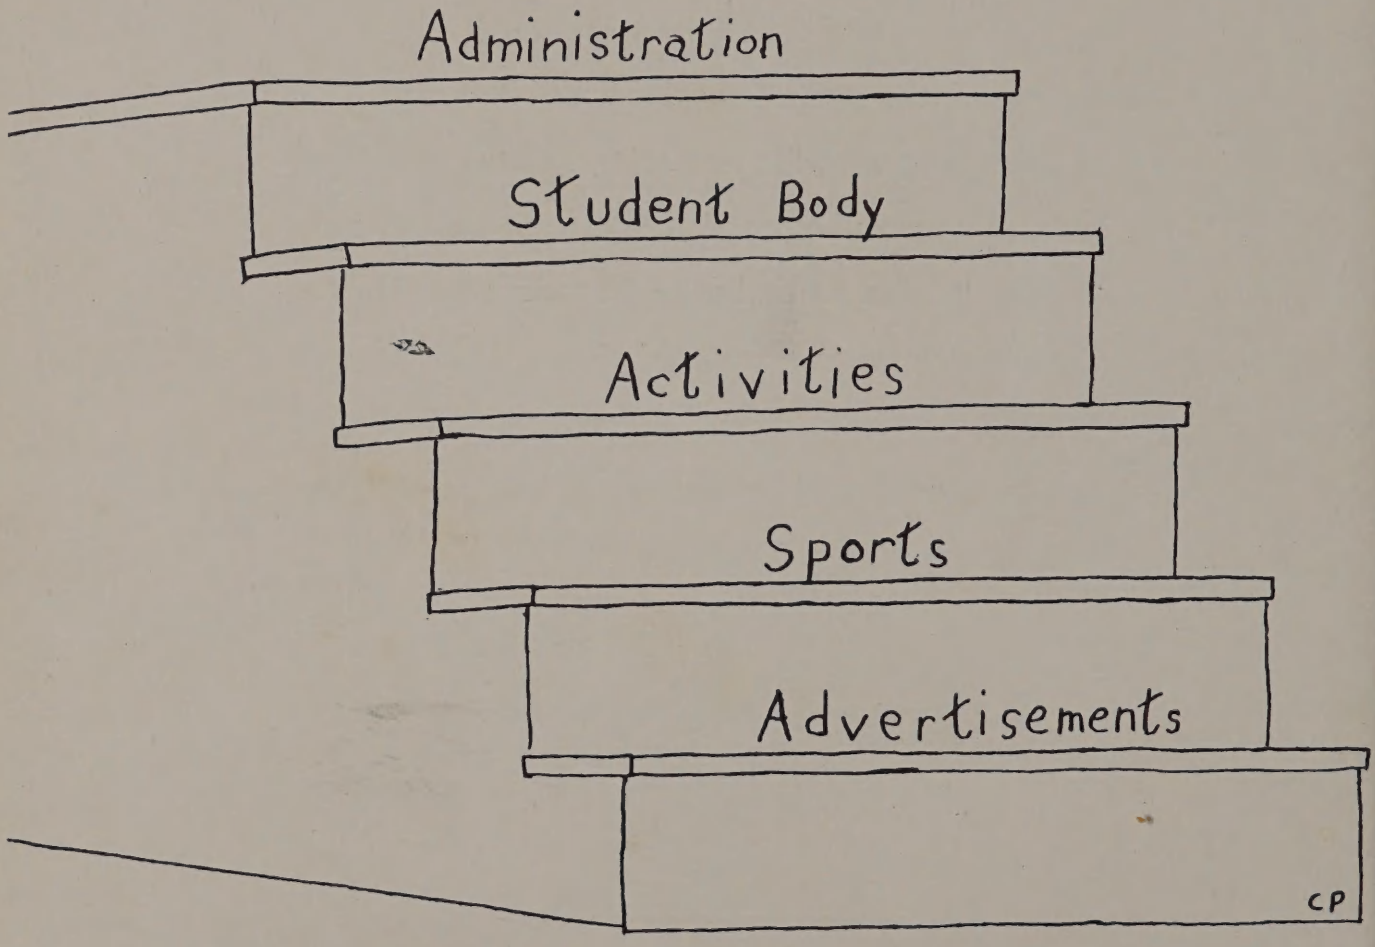


Foreword

As we, the staff of the 1954 MONELISON, present this book of golden memories, we hope that it will serve as a remembrance of our dear friends, our work and the "Golden Memories" of the years when life was much easier than we realized. With these thoughts in mind, we feel as though we have reached our goal and we now proudly present to you this, our twenty-fifth edition of the MONELISON.

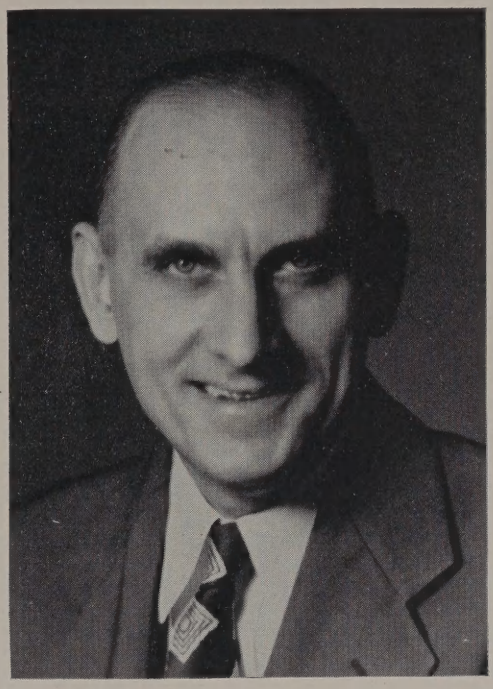


Contents



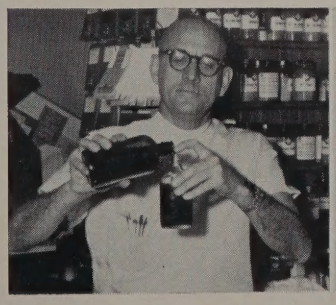
"Steps to the Top"

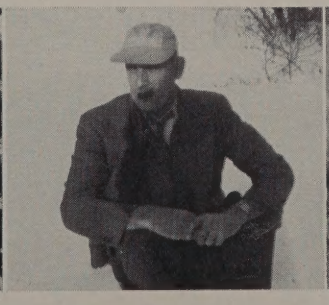
Dedication



Because of his unselfishness and thoughtfulness of others, because of the splendid example of good citizenship and able leadership which he has given to our community, and because he served as the editor of the first edition of our beloved "Monelison," we, the staff, proudly dedicate this, the twenty-fifth volume of our yearbook, to . . .

DR. THOMAS JAMES BANTON





Our Superintendent

MR. TYLER FULCHER

The citizens and youth of Amherst County are exceedingly fortunate to have our beloved former principal, Mr. Tyler Fulcher, Superintendent of the Amherst County School Division.

To you, Mr. Fulcher, the members of the Staff say a heartfelt "thank you" for the capable leadership and loyal service so faithfully rendered to the youth of Elon District for more than a decade and wish for you in your new post of duty the greatest possible success. The educational leadership and service which you have given to the citizens of Amherst County constitute a concrete example of the theme of our 1954 edition of "The Monelison," "Steps To The Top."

School Board

The annals of public education record no parallel to the challenges currently facing the educational leaders of our County, State and Nation. Faith, vision, discretion and courage are imperative, if our American way of life is to be perpetuated. Because they possess these qualities to an outstanding degree, the youth of Amherst County confidently entrust their future to Mr. Tyler Fulcher, Superintendent; Mrs. Bess W. Shrader, Chairman; Mr. Jack F. Thomas, Vice Chairman; Mr. Herbert Camden and Mr. Ashby Woods, members of the School Board.

Administration

you are a good student and a nice boy, Jimmy. Keep up the good work.
Virginia Mitchell

February 1, 1954

DEAR STUDENTS,

Throughout your four-year high school career, so long, when viewed in prospect by the impatient freshman, and, so short, when seen in retrospect by the more thoughtful senior, you are building the foundation upon which your subsequent success or failure will to a considerable extent be determined.

Therefore, I hope that during this golden period, often termed with nostalgic reminiscence by many as "the happiest days of my life," you are learning and learning well the academic content of your classes, for upon graduation from Madison Heights High School, each of you will enroll in the School of Life, to be graduated only at the end of a life-time. In this School, the teachers are stern; the regulations, inflexible; the assignments, difficult; the tests, frequent, and the examinations, rigid. A good high school record is indicative of a similar record in this Institution of Higher Learning.

My young friends, I also hope that you are planting in your hearts and minds the seeds of truth, honesty, responsibility and high standards of thinking and acting which are absolutely essential for even a passing grade in any and all fields of endeavor. Without these requisites, you are like the ship, compass lost and rudder broken, drifting, drifting endlessly.

You will recall that the long-range assignment given to the members of each freshman class is that Madison Heights High School will be a better place to live and work after their graduation than it was at the time of their entrance. A school is not, and can never be, any stronger than its student personnel.

I charge you to take with you this statement of progress—re-phrased to read—"Wherever I go, will my community be better because I have been a part of it?" If this philosophy is faithfully applied, should you chance to open your '54 edition of "The Monelison" a score or more years from today and gaze fondly upon your high school photograph, you can tell yourself with pride, "I have fulfilled my obligation to this boy or this girl so eager to climb the 'Steps To The Top.' "

With best wishes for success to each and every one of you and a sincere desire to serve you in any and every way possible, I am

Cordially yours,
VIRGINIA MITCHELL,
Acting Principal

In Memoriam

The sympathetic help and guidance of our late Division Superintendent, Mr. A. J. Camden, will long be remembered by the faculty and students of Madison Heights High School.

Mr. Camden's most important single objective was a progressive school system and adequate facilities for the youth of Amherst County. To the realization of this objective, he unreservedly devoted his time, his energy and his talents.

In the passing of Mr. Camden, the School System has lost an able leader; the youth, an ardent champion; the community, a valuable citizen; the Church, a tireless worker, and the teachers, a personal friend.

SENIOR CLASS OFFICERS

President ..... WINFRED BRYANT
Vice-President ..... CHARLES GILLISPIE
Secretary ..... PATSY BRYANT
Treasurer ..... GENE ALLEN

Seniors! There seems to be a special formula for this word; hard work, plus many good times, plus a determination to reach our goal. We've reached that goal, too, because we are now seniors.

The officers we chose for our class were Winfred Bryant, President; Charles Gillispie, Vice-President; Patsy Bryant, Secretary; and Gene Allen, Treasurer. Those who did a wonderful job of representing us on the Student Council this year are James Morcom, Charles Gillispie, Winfred Bryant, and Shelby Floyd.

Our motto is "The elevator to success is not running. Take the stairs." Our colors are green and white and the gladiolus is our flower.

Our sponsors, who have done a wonderful job of guiding us through our senior year, are Miss McPherson and Mrs. Pettyjohn.

The first big event of this year was a Christmas party, which everybody enjoyed. In March, we gave our Senior play "Lights Out," and this was a big success. The highlights of the year were the Junior-Senior Banquet and Dance and the Junior-Senior picnic. A special event of the year was a trip to Washington, D. C. by our Senior Class. This is a memory we will long remember.

We, the Senior Class of '54, would like to wish the very best of luck to the senior classes of M.H.H.S. for many years to come, and may it be as wonderful for you as it has been for us.

With this we say "so long" to good old M.H.H.S.

Class History

It all started in the September of 1950. We, a group of one hundred and twenty-four Freshmen, began to ascend the steps to greater knowledge. We had as our instructors Mrs. McDermott, Mrs. Arthur, and Mrs. Powell. For our officers we chose Harold Ragland, President; Preston Floyd, Vice-President; Shirley Riley, Secretary and Treasurer; and our class representative to the Student Council, James Morcom. Our motto, "Conduct and courage lead to success," helped us to adapt ourselves to the high school routine. The first group project that the entire class had to participate in was the annual Freshman picnic.

In our Sophomore year our sponsors were Mrs. Fraley, Mrs. East, and Mrs. Glenn. At our first meeting of the year we elected the following officers: President, Winfred Bryant; Vice-President, Jack Pettyjohn; Secretary and Treasurer, Patsy Bryant. Chosen to be our Student Council representative was James Morcom. Our motto, "Vigilance, action, wise counsels—these lead to success," gave us the incentive to work harder than ever. As the year before, the entire class went on their yearly picnic, which naturally turned out to be a big success.

Our Junior year—outstanding in many respects—left with us many happy memories. Our sponsors, Mrs. Stone, Mrs. Farmer, and Mrs. Cash contributed much to our enjoyment. Elected at our first meeting were President, Winfred Bryant; Vice-President, Derrel Emerson; Secretary, Kathryn Spencer; and Treasurer, Kenneth Layne. Our class representatives on the Student Council were Betty Lee Gallo, Carolyn McIvor, and James Morcom. Chosen for our class motto was "To thine own self be true." Among our many highlights of the year were the receiving of our class rings, the attending of the Junior-Senior Banquet and Dance, and our much anticipated Junior-Senior picnic.

Finally, our hopes and dreams came true, for we were Seniors. To assist us in our last year, we were fortunate in having Miss McPherson and Mrs. Pettyjohn as our sponsors. Our officers, who were chosen in our Junior year, were President, Winfred Bryant; Vice-President, Charles Gillespie; Secretary, Patsy Bryant; and Treasurer, Gene Allen. Our representatives on the Student Council were Shelby Floyd, James Morcom, Winfred Bryant, and Charles Gillispie. After much debate, our motto, "The elevator to success is not running. Take the stairs;" our colors, green and white; and our flower, gladiolus, were decided upon.

Our first event of this year was our Christmas party, which took place in the school library. Next in line came our Senior play, "Lights Out," in March. As an added attraction to our program, each Senior and our sponsors co-operated fully in making it possible for the entire Senior Class to go to Washington, D. C. April brought our Junior-Senior Banquet and Dance, and June — last but not least — brought our Junior-Senior picnic.

Although all of us have been eager to graduate and start on our own life-time ambitions, we still feel sad at the thought of leaving our friends and high school days behind us. However, here's wishing all the success and happiness that anyone can have to each and every one of the future Seniors at M.H.H.S.

The Junior Class. . . of 1954 entered the new year with a bright and cheerful outlook. We held our first meeting in September and elected the following officers: Peyton Richardson, President; William Franklin, Vice-President; Shirley Morcom, Secretary; Audrey Connelly, Treasurer; and John Ragland, Jimmy Goff, William Franklin, representatives to the Student Council. We chose as our class motto one that keeps us looking forward with much eagerness: "Not at the top, but still climbing." Our flower was the red rose; the colors were red and white.

On December 22, we had our Christmas party in the Physical Education Room which was decorated with the seasonable colors. There were games and refreshments and everyone enjoyed himself immensely.

In the spring, we had the thrill of receiving our rings. The next big event was the Junior-Senior Banquet and the dance afterwards. In June we forgot our studies and pushed off for a day of fun at Holiday Lake on the Junior-Senior Picnic.

To the class of 1954, we wish success and happiness for in the heart of the Junior Class they will be "gone but not forgotten."

The 1954

The MONELISON Staff is composed of representatives from the various classes. Through their hard work an annual consisting of all the classes and organizations of the school is published.

Their work begins in the early fall with the soliciting of advertisements. The "dummy" is then drawn up and the yearbook is on its way, but it is still far from being finished. The members of the staff work consistently until the annual is presented to the faculty and the students.

The staff of '54 hopes that you feel as proud of the MONELISON as they and would like for you to join them in wishing the future staffs much success.

The Beta Club under the leadership of Miss Virginia Mitchell and Mrs. Edythe Fraley got a good start this year when nineteen new members were initiated into the club. Our Beta Club is a member of the National Honor Society and has as its objectives: to stimulate effort, to reward achievement and to cultivate the ideals of service and proper leadership in our citizens of tomorrow.

Among the club's activities were a Talent Show, assisting Amherst in organizing a Beta Club, planning assembly programs, and attending the State Beta Convention in Richmond.

The Cotillion Club is an organization concerned with the social activities of our school.

The highlights of the club this year were the New Year's Eve formal, Valentine Dance, at which time a king and queen were selected, and the Junior-Senior Dance.

We feel that our dances have been very good this year and we have added much to the social life of our school.

However, in the past few years they have added to this function the providing of activities for the members. This year the J. U. G. Club chose the purchasing of dark shades for the windows in the auditorium as its project and has worked with the Regular Fellows in providing a bi-monthly social activity.

We, the Senior members, would like to wish the Juniors all the success and fun, and we trust that you will uphold the standards of the clubs just as we have tried to do.

The K. V. G. Club is a voluntary organization of Senior High School Boys.

In order to become a member, the boy must present to the principal a membership card signed by his parents, making him subject to call at any time of day or night in case of a fire.

Soon after our organization, we were given preliminary training in a section of the woods at the Amherst Wayside.

The purposes of this club were to encourage careful preservation of forest lands and to go on any call to help combat forest fires in Amherst County.

Y-TEENS

The Y-Teens started the year '53-'54 off by giving a party for the new members, and we held a recognition service to welcome the new members from various clubs. Our program during the year included visiting businesses of interest.

During the year, we sponsor hops in which all clubs are invited to attend. We also participated in the "Potato Chip" sale in order to raise money for our club. Last Christmas we chose to help the Janitor at the Y. W. C. A. and at the first of the year we joined another club in having a talent show during Open House Week.

As in previous years of our club we tried to keep before us the purpose of the Y. W. C. A., "To build a fellowship of women and girls devoted to the task of realizing in our common lives those ideals of personal and social living to which we are committed by our faith as Christians. In this endeavor we seek to understand Jesus, to show his love for all people, and grow in the knowledge and love of God."

F. H. A. CLUB

The Future Homemakers of America is a National organization in which girls who are taking or who have taken Home Economics participate. Our motto, "Toward New Horizons," means that the security of the world is in the hands of its youth. The flower, the red rose, is symbolic of courage. The emblem is a house held up by two hands.

Throughout the year, our club plans various activities. This year we entered and participated in the Lynchburg Farm Show, B. A. R. planning and federation meetings which are held bi-annually in the fall and spring, fixed a Thanksgiving box and a Christmas box, sold UNESCO stamps, held an assembly program, served meals to visitors, held open house, and entertained our mothers with a tea.

Last summer we sent a delegate, Loretta Sanders, to the State F. H. A. Convention at Radford College, Radford, Virginia. This is done annually.

SCIENCE CLUB

The Madison Heights Science Club is affiliated with the Virginia Junior Academy of Science. As a member of this organization, each club member is encouraged by its sponsors to carry out the aims and objectives set up for them by the Academy. These objectives are for each individual member to the best of his ability to try to:

1. Encourage the study of science and the spread of scientific knowledge.
2. Respect the integrity and opinions of others in regard to scientific matters.
3. Make an effort to understand the scientific method and to apply it to the solution of personal and scientific problems.
4. Study the cause and effect relationships and to apply these to his reasoning and logic.
5. Understand the ideals and standards of this scientific organization and to promote its welfare at any time in a legitimate and dignified manner.

Astronomy was chosen as the general topic of study for the year. Club meetings were held at a regular meeting time with programs given by its members or a guest scientist or speaker. Each member was asked to display his or her interest in the club by choosing a project for the year. These projects, as well as other individual and class projects, were exhibited at our annual Science Fair. This fair was sponsored by the club to stimulate interest in science in our school and to recognize scientific achievement.

The club supports with interest and exhibits the regional and state meetings of the Junior Academy. Club members are proud of past achievements of the club. The monetary awards received from winning exhibits and movies have added supplies to our laboratory and teaching aids departments.

Pupils of the high school, who show scientific interest and who are willing to abide by the rules and regulations of the club and of the Virginia Junior Academy of Science, are eligible for membership in the club.

ATHLETICS

This year our team started its season with much enthusiasm. We secured the Y.W.C.A. in Lynchburg in which to practice and each player was willing to pay for the practice. Although we did not attain high recognition, we enjoyed working together and the sportsmanship gained by all. To the future teams of M.H.H.S. we wish success.

BETTY JO AMISS—*Guard*—Betty came back to us with great deal of spirit and played a wonderful part in the game.

PATSY LEE—*Forward*—She has shown a great deal to our team; we look forward to seeing her make next year's team a success.

ELEANOR LEE—We have not seen too much of her but hope to see her often next year.

DOTTY HARTLESS—She has shown us this year that she has the ability to play a good game.

SYLVIA WALKER—She has been with the team only half the season but in that time she has proved to be a good player.

BEVERLY PUCKETT—We have seen a lot of her this year; hope to see her more next year.

NANCY CARROLL—We have not seen much of her this year, but we are sure that she will play more in the future.

JOE GALLAGHER—Joe is a reserve player and is always ready for action.

JOE MOSS—Joe, a scrappy and faithful forward, has one more year to go and much is expected of him.

Captain—Shelby Floyd

THE CHEERLEADERS

The purpose of the cheering squad is to support the team and to create school spirit among the students and faculty.

Because of their willingness to work, their high spirit and their loyalty in following the team to places near and far, they have done much to create school spirit and to promote better attendance at the games.

Many times the morale of the team was at a low ebb, but the cheering squad always came through to boost the teams on to victory.

BASEBALL TEAM

The Baseball Team of last year had a successful year with a record of nine wins and one loss. We hope to achieve a more successful season this year although we lost some of our best players.

We will miss "Pete" Clarkson, "Mack" Dews, Herbert Carson, and George Wilkerson, but with the return of veterans Littleberry Hicks, Robert Riner, Bill Ogden, Donnie Simmons, Buck Gillispie, and several other good ball players who didn't see much action last year, we should be able to achieve another successful season.

MEMBERS

Gene Allen, Herman Carson, Jimmy Diuguid, Paul Faulconer, Joe Gallagher, Charles Gillispie, Littleberry Hicks, Billy Ogden, Robert Riner, Donald Simmons, Robbin Staton, T. D. Thornton.

Advertising Solicitors

The Advertising Solicitors are a group of Seniors on the staff who go out soliciting for ads one day of each year. This may sound like an easy job and just another way to get out of school, but, really, it's rough going. Miss Mitchell allowed us to have one day and part of another to do this work. Without the fine work of this group, the MONELISON could never have been published because sufficient funds could not have been raised without them.

First Row: Patsy Bryant, Phyllis Norberg, Carolyn McIvor, Kathryn Spencer, Celia Loving, Shelby Floyd, Joyce Steuart, Bettie Crews.

Second Row: Winfred Bryant, Gene Allen, Jimmy Morcom, Littleberry Hicks, Preston Bryant, Calvin Phelps, Holcomb Nixon, Charles Gillespie, Paul Goff.
